

ANNEXURE B

Namma Health Corporate Program – Service Overview

This Annexure outlines the **healthcare access services provided under the Namma Health Corporate Membership Program**.

1. Program Overview

The **Namma Health Corporate Membership Program** provides employees with access to a **healthcare coordination platform** designed to simplify access to medical services through a network of partner healthcare providers.

The program focuses on:

- Healthcare navigation
 - Appointment coordination
 - Access to partner hospitals and diagnostics
 - Discount facilitation where applicable
-

2. Key Employee Benefits

Enrolled employees may receive access to:

- Discounted diagnostic tests
- Health checkups
- Doctor consultations
- Pharmacy discounts (where applicable)
- Hospital service coordination
- Healthcare appointment scheduling

Benefits are **subject to partner provider policies and availability**.

3. Coordination Services

Namma Health provides assistance with:

- Appointment booking
- Diagnostic center coordination
- Hospital guidance
- Healthcare service navigation

Employees must **contact Namma Health before availing services**.

4. Partner Healthcare Network

The program operates through a **network of empanelled healthcare providers**, which may include:

- Hospitals
- Diagnostic centers
- Clinics
- Pharmacies

The network may **expand or change from time to time.**

5. Employee Support

Support services may include:

- Phone support
- Service coordination assistance
- Healthcare provider guidance

Support availability may depend on **operational hours and partner network capacity.**

6. Important Disclaimer

The Namma Health Corporate Membership Program:

- Does **not provide insurance coverage**
- Does **not provide reimbursement of medical expenses**
- Does **not operate hospitals or clinics**
- Does **not guarantee specific discounts or treatment outcomes**

Namma Health acts **only as a healthcare access facilitation platform.**
